**Barone Design Group to Lead Educational Session  
at CoreNet Global Summit in Toronto**

**March 10, Houston, Texas—** Barone Design Group, a solutions-driven architecture and interiors firm, has been tapped to present a best-practices educational session at CoreNet's Global Summit, April 17 -20 in Toronto, Canada. In conjunction with Alan Pringle, Real Estate Advisor with Shell Real Estate Services, Dean Barone, president of Barone Design Group, will address the process of managing the development of international workspaces.

Barone, who has headed the development of numerous international projects, will discuss strategies for optimizing efficiency, reinforcing a corporation's brand overseas and accommodating, as well as leveraging, local culture and resources. New pre-planning strategies, international workspace standards and innovations, and tactics for remote project coordination, will be highlighted in the session.

The CoreNet Global Summit in Toronto will focus on evolving corporate strategies and technology in today's corporate real estate environments. Visit [www.corenetglobal.org](http://www.corenetglobal.org) for more information on the upcoming Summit.

**About CoreNet Global**

CoreNet Global members manage \$1.2 trillion (US) in worldwide corporate assets totaling 700-billion square feet of owned and leased office, industrial and other space. With 7,500 members representing large corporations around the world, CoreNet Global ([www.corenetglobal.org](http://www.corenetglobal.org)) operates in five global regions: Asia, Australia, Europe, Latin America and North America, including Canada.

**About Barone Design Group**

Barone Design Group is a solutions-driven architecture and interiors firm with over two decades of experience creating corporate workplace environments and highly technical, industrial, R &D and manufacturing facilities for leading companies worldwide. With the ability to manage large scale corporate and facilities projects, both nationally and internationally, the firm partners with its corporate clients to find solutions that address long-term business needs. With an experienced team of design experts, the firm merges efficiency, style and utility to address the client's workspace objectives.
