

## **IN DEPTH: COMMERCIAL REAL ESATE: CONSTRUCTION & DESIGN**

From the November 18, 2005 print edition  
**Commercial Real Estate Briefs**

### **Barone, Sikes firms form partnership**

Barone Design Group, an architecture and interiors firm, and Sikes Group Inc., an architecture and construction management firm, are leveraging their synergies and co-locating at One Northwest Center.

The two firms will offer comprehensive interior and ground-up design services to corporate, commercial and institutional real estate organizations including health care providers, oil and gas, financial services and hospitality companies.

Dean Barone is co-founder and president of Barone Design Group. Herschel Sikes is founder and president of Sikes Group.
